Sam and Gail- attached is the most recent settlement between SMBRC and Ballona Wetlands Land Trust. Pasted below is the settlement agreement (pg 7 of 13 of the pdf). This is what I was referring to yesterday.

Settlement Agreement

I. Terms of Settlement Agreement

1.1 At SMBRC's request, the State Water Resources Control Board (SWRCB) shall issue a written statement that office space provided by SWRCB to SMBRC pursuant to SMBRC's enabling legislation is to be used solely to further the implementation of SMBRC's Bay Restoration Plan and its Annual Work Plans.

1.2 SMBRC will include a statement in each Annual Work Plan created after the Effective Date of this Settlement Agreement affirming that the office space provided by SWRCB to SMBRC has been used solely to perform tasks of the SMBNEP as defined by the Bay Restoration Plan and Annual Work Plans.

1.3 SMBRC will work with TBF to amend the MOA to ensure that records created or used by SMBRC or TBF pursuant to implementation of the Bay Restoration Plan or Annual Work Plans are treated as public records and subject to disclosure as may be required by law.

1.4 SMBRC will request that TBF provide training to its employees and consultants concerning the retention of the records described in paragraph 1.3.
